Welcome

- Webcast attendees:
 - Please send any feedback or questions to:
helpdesk@wi.gov
 - If you wish to only view the slide presentation please select the 'MAX Slide' item in the upper right corner of the screen.
 - The video and presentation will be available online at: <http://media1.wi.gov/dhfs/viewer>

Reports

- The March 2006 Release will include the following reports-related changes:
 - Access Report
 - Reports Dashboard Enhancements

Reports

- What is the Access Report?
 - The Access report tracks the intake activity relating to child abuse and neglect and services to families documented by county and state workers in eWiSACWIS. This report includes information from all CPS and Services reports screened in and out during each month.

Reports

- The Access report will replace some of the existing files in eWReports.
 - SM0200 – Intake Monthly Statistics
 - SM10a02 – Intake Monthly Statistics
- Much of the data displayed in these two reports will also be available in the new Access report.

Reports

- How will workers be receiving the Access report?
 - The Access report is scheduled to run every month and be posted on the Current Tab of the eWReports homepage.
 - Workers can also request the report through eWReports on an as needed basis.

Reports

- In what format will workers receive the Access report?
 - The Access report consists of two separate files:
 - 1) sm0201-a-access-report-detail.xls file is a MS Excel document with detailed information about the specifics of the CPS or Service Report.
 - 2) The sm0201-b-access-report-smry.doc file is a MS Word document with summarized counts of report types, allegations, victims, reports screened in and out, and response times.
